--VACCINATED AND NO MASKS --FASST WILL ADHERE TO CDC REQUIREMENTS IN EFFECT AT THE TIME OF OUR ACTIVITIES - LET'S GET BACK TOGETHER-WE MISS YOU!

The Board of Directors continues to be very busy implementing the activities on the Events Calendar and re-working the FASST Gallery utilization. Meetings were held at the gallery to discuss the changes and the many benefits of participating at our gallery/art studio. If you are interested in participating at the gallery, contact Jan Wood at [benzjw1@gmail.com](mailto:benzjw1@gmail.com) to make arrangements. Remember-FASST offers an on-line gallery on our website. We are also working very diligently to offer other community activities to show and sell art.

What's new? Paint Togethers, Demonstrations and Workshops with Kathy Smith, Kids Workshops with Scott Stevens (Indoors and Outdoors), and Plein Air Workshops with Brian Keeler and Richard Henry. While our 6-week show at UHS and FASST providing art for the Willow point Nursing lobby is on hold, we unexpectedly were invited to participate in First Fridays at Kilmer Mansion. This is a very exciting new venue for FASST. Also NEW-Webinars-instructional workshops from home using your own computer, etc.

Don't forget the picnic on August 14, 2021 and the bus trip on September 18, 2021. More information forthcoming.
